OPEN ENROLLMENT UNDERWAY

With the new enrollment plan Avila has begun registering students for the Spring, 1980 semester. The plan was adopted this fall allowing students to complete the registration process during the Registrar's regular office hours. According to Sister Jean Bink, Registrar, the plan worked well spreading the two-day registration load over several weeks. She feels the students were appreciative of the opportunity to

register in one location and complete the process in a shorter time.

With the Admissions, Financial Aid, Business and Registrar's Office working together, the process is simplified for the convenience of students and record keeping.

Registration continues through January 11. Please call 942-8400 for further information. Classes begin Monday, January 14.

Kay Lyons, Rebecca Martin and David Allen are among the students taking advantage of early, open registration.

PSC SPONSORS PRE-GAME SUPPER

The President's Scholarship Club is sponsoring a "Hot Dog and Beans" supper before the Rockhurst basketball game, Sunday, January 27.

Members are invited to enjoy a picnic style dinner at 6 p.m. in the lower level of Marian Centre followed by the game in the new Mabee Fieldhouse.

CONDOLENCES

The college community extends its sincerest condolences to the McGee family at the death of their mother, Margaret, November 21; to the Ruzicka family at the death of Celeste, our secretary, November 28.

FIELDHOUSE NEAR COMPLETION

Last year the Steak Dinner and Auction kicked off the fund-drive for the new fieldhouse. This year, the steaks from the American Royal Reserve Champion Steer donated to the college will be used for the dinner and hors d'oeuvres celebrating the opening of the facility.

The Mabee fieldhouse, not 100% completed, will be ready for games in January and the Avila-Rockhurst basketball game, Sunday, January 27, 7:30 p.m., will officially open the athletic facility.

The \$50 a plate dinner in Marian Centre, followed by the open house in the fieldhouse, will be Saturday, February 23. The open house will feature a combo and sock-dancing. Those wishing to attend the open house only can do so for \$10 per couple.

A big "Thank You" to Bob Boyle and other members of the syndicate, John Catshaw, Gordon Wells, George Powell and Henry Block, for their donation of the American Royal Reserve Champion Steer.

RE-ENTRY NURSING PROGRAM

A program to update Registered Nurses so they can return to active practice has been initiated at Avila College. Funded by the Loose Foundation, the program involves 300 hours of theory and clinical learning. After completion of the three month course participants will continue to work for the local health agency at which they did their clinical practice.

Sessions are to begin January 14, April 14 and September 2. For more information contact Nancy Barr, 942-8400, ext. 286/271.
